Science and Technology Curricula	PSM	Development of STI-related curricula. Consists of STEAM-related curricula that integrates business and management courses for graduates to be prepared for future leadership and entrepreneurial roles	"Our school was able to ensure the approval of programs without the STRIDE but leveraging on this, when the STRIDE name came along it was additional magic. This is why the continued engagement of the STRIDE project in the PH will really help. Why will we invent something that is really out there. The new CHED graduate policies "We also have been revisiting our curricular program, the way I was influenced by STRIDE. It also enhanced our capacity on how to influence the decision makers in crafting policies conducive to innovation ecosystem.
